Weather Policy: For the safety of our members the pool will close if lightning is detected within a 10-mile radius of the pool. The pool can re-open 1 hour after the lightning strike is detected within the 10-mile radius.

Check in/out: Members are required to stop at the front desk to check in.

Occupancy: The occupancy limit of the pool is set at 200 (90 in water 110 on deck)

Wristband Policy: Drownings happen quickly and quietly even when lifeguards and parents are present. To prevent drownings, it is imperative that parents and guardians actively watch their children in and around water, even when lifeguards are on duty. All “non-swimmers” will be required to wear wristbands indicating that they must have a guardian within one-arms reach.

All swimmers under the age of 10 must pass a test swimming one length of the pool (25 meters) safely without touching the ground in order to swim without touching the ground in order to swim without a wristband. These tests will be administered by a lifeguard on duty, daily, as requested by members. If the child cannot pass the swim test they must wear a wristband and be actively supervised by a guardian who is within one-arms reach of them in the water. Swimming ability will be noted in the computer membership database, and non-swimmer wristbands will be given to those who need them each time they enter the facility. Swimmers may retake the swim test throughout the summer in order to prove their ability to stay safe on their own. The full policy will be available at the pool. **Children under the age of 10 who passed their swim test in 2019 will be required to pass the test again in 2020 if they want to swim without a wristband.**

BBQ/Parties: The BBQ is available to be used for free by members of the pool. Reservations need to be made in advance at the life guard station, and the area **MUST** be cleaned up after use in order to continue offering this service to members. The Bittersweet Pool is available for rent by members on a first-come, first serve basis. Reservations (including the deposits and all fees) must be made at least one week in advance. All parties require collaboration with pool management on times and necessary lifeguard coverage. Party reservations will be taken in 2-hour increments.
